Names of All Authors : Chaeriah Bin Ali Wael, Nasrullah Armi, Arumjeni Mitayani, Suyoto, Salita Ulitia Prini, Winy Desvasari, Rico Dahlan, Ros Sariningrum

Copyright to the above-listed unpublished and original article and subsequent, if necessary, errata, and the abstract forming part thereof, submitted by the above author(s) (collectively, the "Article"), is hereby transferred to the Jurnal Elektronika dan Telekomunikasi (JET) for the full term thereof throughout the world, subject to the Author Rights (as hereinafter defined) and to the acceptance of the article for publication in a journal of JET. This transfer of copyright includes all material to be published as part of the article (in any medium), including but not limited to tables, figures, graphs, movies, and other multimedia files. JET shall have the right to register copyright to the Article in its name as claimant, whether separately or as part of the journal issue or other medium in which the Article is included.

The author(s) shall have the following rights (the "Author Rights"):

1. All proprietary rights other than copyright, such as patent rights.
2. The nonexclusive right, after publication by JET, to give permission to third parties to republish print versions of the Article or a translation thereof, or excerpts therefrom, without obtaining permission from JET, provided the JET-formatted version is not used for this purpose and provided the Article is not to be published in another journal. If the JET version is used, permission from JET must be obtained.
3. The right, after publication by JET, to use all or part of the Article without revision or modification, including the JET formatted version, in print compilations or other print publications of the author(s)' own works, and on the author(s)' web home page, and to make copies of all or part of the Article for the author(s)' use for lecture or classroom purposes.
4. The right to post and update the Article on e-print servers as long as files prepared and/or formatted by JET are not used for that purpose.

All copies of the Article made under any of the Author Rights shall include notice of the JET copyright.

By signing this Agreement, the author(s) represent and warrant that the Article is original, and that the Article has not been published elsewhere, and is not being considered for publication elsewhere in any form, except as provided herein. If each author's signature does not appear below, the signing author(s) represent that they sign this Agreement as authorized agents for and on behalf of all the authors, and that this Agreement and authorization is made on behalf of all the authors. The signing author(s) also represent and warrant that they have the full power to enter into this Agreement and to make the grants contained herein.
